Committee Members:

Erik VandenBerg
Mark Mahoney
Molly Dixson
Jennifer VanDeWater

Others present:

Committee members discussed the next steps in drafting the plan:

- Committee member VandenBerg compiled the results of the draft survey. Committee members discussed adding these results to the ‘Goals and Objectives’ section of the Comprehensive Plan. Town land use, site plan review, demographics, government structure and an expanded history section will also be added.

Committee member Erik VandenBerg is currently working on the draft document of the Town Comprehensive Plan. If he can not get the draft prepared by the October Planning and Town Board regular meetings, he hopes to have it done by the end of October for review.

Respectfully submitted,

Molly Dixson
